

2023 OAC SPONSORSHIP PACKAGE

We are so grateful that you are taking the time to read our Sponsorship Package, as we understand that times have changed for everyone.

The Okanagan Athletics Club is a community Track & Field organization with a mission to foster personal excellence through Athletics. Starting in 2011 with only 35 athletes, we have quickly grown to over 240 members, while never losing sight that we exist solely for the benefit of our athletes, as a non-profit organization.

Ranging from 6 to 80 years of age, our athletes partake in track and field ranging from basic daily activity to international competition. We have had the privilege of being represented by our athletes and coaches nationally, internationally, and even at the Olympics.

With 2020 & 2021 being quite the challenge, we are proud that our club adapted extremely well and continued to train as a team, starting out with Online Training in the Spring, to smaller training groups when the rules allowed. We also had a successful winter season, continuing training outdoors!

This year, we will be hosting our annual Jack Brow Memorial and Twilight Series at Kelowna's Apple Bowl.

Our Jack Brow Memorial Track & Field Meet is attended by hundreds of athletes, local and worldwide, their families and friends. We also always have a professional photographer present and this year, a videographer as well! This gives our sponsors even more opportunity to showcase their company and increase their visibility in the community.

We are requesting your support because we believe that, as a business leader, you are invested in building a stronger community.

As a sponsor you will be supporting our fundraising goal of \$30,000 for development of our athlete programs and much needed equipment upgrades, which will allow Kelowna to be a premier Track and Field destination in Western Canada, providing Okanagan athletes many more opportunities.

This year, we are pleased to announce several opportunities for sponsorship and donations outlined in the attached pages, with both marketing and promotional benefits. It's thanks to local sponsors like you, which allow us growth in athletics and empower our community to make an impactful difference.
